****All classes are held outdoors unless inclement weather.**

SCHEDULE SUBJECT TO CHANGE.

Class Descriptions:

AQUA BATA: full body workout using time intervals and various types of equipment.

AQUA IN MOTION: A moderate water workout using a loop band and then gentle exercises to improve strength, endurance, and flexibility.

AQUANAUTICS: A band and ball workout followed by a synchronized total body water workout.

AQUA RESISTANCE: Focuses on upper and lower body strength and endurance by using the water, wall, noodle and water weights as resistance.

DEEP WATER: An intense workout where feet are off the bottom of the pool in any depth of water that one is comfortable with.

DOUBLE NOODLE: Vigorous workout for the entire body using two noodles and no weights.

STRETCH & FLOW WATER: A thorough stretch from neck to toe.

WATER WALKING: Resistance bands for the upper body while moving using various types of walking and at different intensities. Also includes stretching.

WET WORKOUT: A foundational, no-equipment, total body workout of cardio, strength and mobility.

Reminders About Cold Weather Policies For Water Classes:

If the current temperature of the air at the pool is **73** degrees or lower up to 15 minutes before the class is scheduled to start then the class may utilize the indoor pool. If the temperature is close to the designated temperature but the wind is above 10mph the class may utilize the indoor pool. ***The instructor will be responsible for making the final judgement call for classes to move inside or remain outdoors.**

Weather Procedures for Water Group Exercise Classes

Cold Weather:

If the current air temperature at the pool, according to the specified apps, is **73** degrees or lower up to 15 minutes before the class is scheduled to start then the class may utilize the indoor pool. *If the air temperature is close to the designated temperature but the wind is above 10mph the class may utilize the indoor pool. The listed apps also designate wind speeds.

Apps to be used to determine air temperature and wind speed while at the pool deck and using “current location”:

>The Weather Channel >Weather Bug >Accuweather

Thunder and/or Lightning:

>Any thunder heard, or lightning seen anywhere automatically closes the outdoor pool and pool deck.

>If lightning, according to the security-held lightening detector, comes within 6 miles, then the indoor pool and pool deck are also closed, and the indoor pool area is locked.

*Security will close the pool and lock the appropriate gates for the designated duration.

Pool Temperature:

If the temperature of the water in the outdoor pool feels considerably below normal the class may move to the indoor pool.

***The instructor will be responsible for making the final judgement call for classes to move inside or remain outdoors. Should a class utilize the indoor pool, it is important that class participants be courteous to other users of the pool.**

Class Descriptions

BEGINNING YOGA: this class is for those new to yoga or those wanting to fine tune their practice. We will use the breath and body awareness to build strength and increase flexibility.

CHAIR YOGA: Class designed to include breath work, strength, flexibility and balance but does not involve getting up and down from the floor. Great for ALL fitness levels!

FIRST STEPPERS LINE DANCE: No knowledge of line dancing or steps names.

FIT MIX: A fast-paced strength class incorporating a mix of standing and floor exercises using a variety of weights and resistance bands.

FLEX & FLOW: A combination of tai chi, yoga & Pilates style movements set to a variety of music to work your core, challenge your range of motion, strength and balance without floor work.

IMPROVER LINE DANCE: Student knows basic line dance steps and will learn additional steps. Constant instruction.

INTERMEDIATE LINE DANCE: Some knowledge of line dance steps. Continuous instruction of more difficult steps.

PILATES: Pilates is a low impact mat class that focuses on toning and strengthening the abdominals, back, and legs. Suitable for all levels, does involve floorwork.

SIT & GET FIT: Train the entire body using various pieces of equipment while remaining seated. Great class for beginners and those with ailments!

STRONG BODY: Strength-based class using barbells, dumbbells, and body weight exercises designed to increase and maintain muscle endurance and strength.

TOTAL BODY: A full body strengthening class that utilizes hand weights and other equipment.

TOTAL BODY EXPRESS: Full body strength workout without floor work.

YOGA FLOW: Suitable for all levels that have some previous yoga experience. Low impact, relaxing, mindful yoga emphasizing flexibility and light strength. Breathing and stress management techniques incorporated.

ZUMBA: A Latin inspired cardio class filled with fun dance moves that guarantee a good time and a great workout.

Mats will not be provided for any class.
